

British Columbia Organization Of Caribbean Cultural Associations

PRESIDENT'S MESSAGE

TO: Members, Community and Others.

As president of British Columbia Organization of Caribbean Cultural Associations (BCOCCA), I am deeply grateful for this opportunity, and the remarkable support you – the Caribbean Community and others have given me over the years.

By your participation in monthly meetings, Fundraising, Cultural Expos, Brainstorming and other activities, you have all contributed to the on-going obligations that have helped with making BCOCCA what it is today. For that I am truly grateful!

Additionally, I am very pleased to share some of BCOCCA's recent acquisitions and obligations including the following:

- A New Digital Website, and
- A Caribbean Community Charity Foundation of BC – an Entity we anticipate will have CRA Tax Status by 2023.

These are some added benefits to BCOCCA, members and the Community, as well as obligations, that without your support would not have been possible.

Accordingly, I would like to take this opportunity to thank you, and look forward to your continued support and commitment for the future.

Sincerely,

Neville Thomas, BSA, MBA, CCLP.
President, BCOCCA
